

HAPPINESS

- 1) I have love, joy and delight
Each day and night
- 2) I am thinking positive forever
Be sad again never
- 3) What I'm forever after
Is the joy of laughter
- 4) I am providing a smile
For oh quite a while
- 5) I feel enjoyment today
That is here to stay
- 6) I am happy forever
Be upset again never
- 7) I now have the most joy
Since, as a kid, I played with my first toy
- 8) I believe in myself
And can find perfect happiness and health
- 9) I take things as they come
Stay up with my thumb
