

HEALTH

- 1) My eyes water with delight
Now I'm free from fright
- 2) I regularly play and watch sport
Just like I ought
- 3) I never smoke
Don't want to choke
- 4) Having my perfect health
Is worth much more than wealth
- 5) I've gone from weakness to strength
At a great length
- 6) I've climbed many a mountain
And watched my troubles fall from the fountain
- 7) I never let illness, bring me to stillness
If I were to die, many people would cry
- 8) I am as fit as a fiddle
And that isn't just a riddle
