

## LOVE

- 1) I'll have a wife  
Who brightens up my life

1 OR 2

- 2) I'll have a husband who's kind  
And that I'll truly find
- 3) I can get away from hell  
And in life do very well
- 4) I can to heaven find my way  
On this and every day
- 5) We all show each other love  
As much as Lord God above
- 6) I am showing a very warm heart  
And in giving love play a part
- 7) I have some good self-esteem  
Or so it deeply does seem
- 8) Each summer in the sun  
I have plenty of fun
- 9) I am popular forever  
Be lonely again never
- 10) I have plenty of romance  
A love, kiss and dance
