

Lord God And His Son

- 1) Everyone with their heart and mind
Should be very extremely kind
Share plenty and plenty of love
Like the true Lord God above
All of us are going to offer a warm heart
And in Christianity play a big part

- 2) Jesus Christ did the world amaze
We own him lots and lots of praise
For he was loving and caring
And very warm heart sharing
All of us are going to offer a warm heart
And in Christianity play a big part

- 3) In this world Jesus did quite a deal
Lots of people he really did heal
And brought them plenty of success
A very big freedom from stress
All of us are going to offer a warm heart
And in Christianity play a big part

- 4) Jesus Christ and God we'll think of forever
Forgetfully let slip our mind never
But with many a church prayer and song
With belief we'll always go along
All of us are going to offer a warm heart
And in Christianity play a big part
