

## Love, Joy & Delight

- 1) Your mind and emotion hold the key  
They're the things to set you free  
What 'er the day  
What 'er the night  
Fulfil yourself with love, joy & delight
  
- 2) Sadness and worry  
Gets you nowhere at all  
Just up the wall  
What 'er the day  
What 'er the night  
Fulfil yourself with love, joy & delight
  
- 3) With faith in the Lord  
And determination  
You may live a long and happy life  
What 'er the day  
What 'er the night  
Fulfil yourself with love, joy & delight
  
- 4) Let people come first where 'er you go  
That's a thought  
All people should show  
What 'er the day  
What 'er the night  
Fulfil yourself with love, joy & delight

Love, joy & delight
