

Manchester United Defender Patrice Evra

- 1) Patrice Evra had his debut for Man United in January 2006
When as a great defender he stopped opponents Man City
From getting up to their tricks
Intent of never at all facing the sack
He went on to play very well as a full back
- 2) Patrice helped Man U shake many teams up
And go on to win quite plenty a cup
He will value his 4 Premiership League Medals with no debate
As-well as taking part in winning the European Championship
In season 2007/2008
- 3) Patrice became a quick committed attack-minded player yes
And was to do extremely good or so I guess
He's so far had 292 appearances for Man U
In which he's performed great for Sir Alex, me and you
- 4) Patrice has helped Man U fulfil many a dream
As well as defend has recently in lots of matches captained the team
He's really come of deep assistance
Helped Man U go oh quite a distance
- 5) At the same time as help Man U in winning cups have a big chance
Patrice has appeared in 42 matches for his country team France
He's defended splendid for Man U and France on the whole
Quite often preventing the other team from scoring a goal
