

Great Goal-Keeper Peter Schmeichel

- 1) Peter Schmeichel as goal-keeper in 1991 started at Man U
And was to be seen as a great player by me and you
With him being extremely very brave
He made very many a good save
- 2) Peter with Denmark won The European Championship in 1992
Before he was welcomed back to Man U by me and you
With whom he was to continue to do well
In what the red devil's club future had to tell
- 3) Peter with Man U was to win many a cup
And show many other teams up
Winning the Premiership and FA Cup the most
Deserving from all the fans a very big toast
- 4) In the season 1998/99 Peter's final Man United year
Him and his colleagues were to get a very big cheer
Getting a treble this year they proved they weren't just beginners
They were even The European Championship League winners
- 5) Though when Man U had conceded too many a goal
He'd got very angry on the whole
Peter with his career at Man United
Was totally overall delighted
