

## Ole Gunnar Solskjaer

- 1) Through the years 1996 to 2007  
Ole Gunnar Solskjaer's taken Man U to heaven  
With his striking shaking many teams up  
And winning very many a cup
- 2) The best moment of his career  
One to forever drink to with beer  
Was when to Bayern Munich's regret  
He kicked the ball up into the net
- 3) Thanks to him Man U then had their challenge done  
And the European Championship was once more won  
Yes in the terrific season of 1998-99  
For Solskjaer and colleagues all went fine
- 4) Solskjaer also at crossing and passing was good  
He was always doing the best he could  
Playing for Norway as well as Man U  
He was scoring oh quite a few
- 5) Having many a trophy previously win  
Unfortunately he's now got to pack in  
But his Man U colleagues and fans will remember him forever  
Letting his techniques slip their mind never
