

The Manchester United 2007/08 Double

- 1) Through 'Sir Alex Ferguson', Man United got the double again this year
Something for all us Man U supporters to drink to with beer
Although towards the Premiership end Chelsea put some pressure on
Our hopes of winning were still not at all gone
- 2) Through 'Christiano Ronaldo' scoring so many a goal
He was the season's best player as a whole
'Giggs' was to pick up his 10th Premiership season win
Which brought to his face a very special grin
- 3) Having beat Chelsea in the 2007/08 Premiership yes
Who were Man United to face in the European Championship, have a guess
It was to be a very close action game, including extra time, no doubt
Which led to a concluding very tense penalty shoot-out
- 4) There was first tension when 'Ronaldo' missed his penalty kick
With keeper 'Peter Cech' with his save doing the trick
But 'Edwin Van Der Sar', in goal, was by stopping 'John Terry'
And 'Nicolas Anelka' do even better
Making Chelsea Manager 'Avram Grant' once more a big regretter
- 5) Yes the Old Trafford Manager of a very special kind
Was to a second European Championship Trophy for his team find
'Sir Alex Ferguson' and his tremendous Man United team
Were celebrating with the fans, for ages, such a come true dream
