

Manchester United's Treble Win In Season 1998/99

- 1) In the football season 1998/99
For Sir Alex Ferguson and Manchester United everything went fine
At the end of it they made all the front pages
Being the first treble winners for absolutely ages
- 2) Managing to not too many points drop
In the Premiership League they finished top
Then with a penalty save from Peter Schmeichel won the FA Cup
By really being able to in the final shake Newcastle United up
- 3) In the European Championship for Bayern Munich 1-0 up
Everything was going fine
Because it had now gone completely into extra time
Then suddenly Teddy Sheringham with a good shot disguiser
Tremendously for Man United got a superb equaliser
- 4) Next still in extra time came a shock on the whole
When substitute Ole Gunnar Solskjaer got a brilliant game winning goal
Soon holding it up for all the fans to see
They were celebrating winning the Cup quite definitely
- 5) David Beckham, Jaap Stam, Dwight Yorke, and Andy Cole
And all the rest of the team
Had this season made come true Sir Alex's dream
Who getting each Man United player doing all that they should
Went on to also be given a great rewarding Knighthood
