

25 Years Of The North West (N.W.) Air Ambulance Charity

- 1) The N.W. Air Ambulance Charity was first founded in 1999
Intending to make lots of different people's lives go fine
In emergencies it was to cover oh quite a distance
To people in the North West come of urgent assistance
- 2) Helicopters and critical care vehicles gradually became available 365 days a year
Wanting to keep lots of seriously injured people completely away from any tear
With pilots, Specialist Consultants and critical care paramedics they deeply help out
Regularly saving a critically hurt person without a single doubt
- 3) The N.W. Air Ambulance Charity working with no hesitation
Is totally reliant on lots of other's generous donation
Funding is also raised by many a charity shop and special event
With people fully showing what to them they've truly meant
- 4) The N.W. Air Ambulance Charity has now been going for 25 years
Relieving lots of people from health worrying fears
All of us owe them some deep appreciation
For rescuing plenty a life with no hesitation
- 5) Hopefully the N.W. Air Ambulance Charity following it's 25 years anniversary
Will continue to help lots of people make gradual health recovery
And even with no government financial support
Manage to get all it's needed funding just like it ought
