

At the front of Blackpool

- 1) At the end of the pier  
Near the ocean you're getting near  
And you have a good view  
Of there sailing quite a few
- 2) A good sight you've got  
Of many people on a yacht  
Also many a boat  
All staying afloat
- 3) To be seen is a nice blue sky  
And I tell no lie  
At the front, in the sun  
A lot of people are having fun
- 4) Today it's so very hot  
To be inside you should not  
But at the front enjoy a walk  
Whilst having a talk
- 5) In Blackpool it's been a good day out  
And that's without a doubt  
Now it's time to go back down the pier  
And perhaps go for some beer
