

Some People I Know

- 1) When I saw Holly
She was very jolly
Whilst in the shop pushing her trolley
And then outside putting up her brolly

- 2) I then met Terry
Who looked quite merry
Having had plenty a cherry
Before going on the ferry

- 3) Later to be seen was Tony
Going along on a nice pony
Who without being phoney
Never felt lonely

- 4) Lastly to be noticed was Phil
In a small pub manning a till
Who was never having much of a thrill
With him supporting Blackpool F.C. still
