

Winning The Lottery

- 1) I'll be glad when the numbers, picked by me
Win the Lottery
I'd have a lot to spend
Without an ever end

- 2) With such a cash expansion
I could buy a mansion
Also having gathered my kit
Work I could quit

- 3) Instead of each day over using my head
I could have a nice rest instead
And when the day is up
Drink to success with a cup

- 4) Well that is my dream
Or so it does seem
Now just like one's had by you
I hope it eventually comes true
