

Blue Peter's 50 Years Old

- 1) 'Blue Peter' has now been going for 50 years
Yes from 1958 to 2008 been bringing many young children cheers
Valerie Singleton hosted it in 1962-72
Bringing lots of entertainment for me and you

- 2) In 1965-78 John Noakes and his nice dog took part
Into children's activities putting their heart
With Peter Purves helping out too
On children's T.V. attracting quite a few

- 3) In the 1970's and 80's Simon Groom, Peter Duncan and Janet Ellis
Were on children's T.V.
Giving many creative and amusement ideas to you and me
Before in the 1990's 'Blue Peter' was run by Tim Vincent and Anthea Turner
Making many a child become a very clever learner

- 4) With help from Konnie Huq and many more
This programme's still going like many times before
And I'm sure 'Blue Peter' will be watched for a very long while
Continuing to bring many children a smile
