

Edward And Sophie's Silver Anniversary

- 1) The Duke and Duchess of Edinburgh have marked their 25th wedding anniversary today
Released a new portrait of them stood together with no delay
Because they married on the 19th June 1999 at St George's Chapel in Windsor Castle yes
Going on to have a nice family or so I guess
- 2) Edward and Sophie in the early 1990's first met at a certain tennis event
Before getting together as a nice royal family couple they gradually went
When after having romance for a while
They got married with each other showing a very big smile
- 3) They, not long after getting married, had a family to be seen
Now have 2 children, Lady Louise Windsor, now 20, and James, Earl of Wessex, aged 16
Who both had a long and successfully guided education
Not showing a slight bit of at all hesitation
- 4) To bring a very good service to quite a few
Edward and Sophie became full-time royals in the year 2002
And to be seen by both you and me
The prince received the title of 'Duke of Edinburgh' from the King in 2023
- 5) We hope, together today, this royal couple have a good time
With their silver anniversary going really fine
And that everything goes for them well
In what the future deeply has to tell
