

FA Vase Champions Kirkham & Wesham

- 1) Kirkham & Wesham football team this season
Can celebrate for very many a reason
They've really been playing well
As time has had to tell

- 2) Having firstly achieved promotion
They needed to give the F.A. Vase their devotion
Reaching the final at Wembley football ground
Where many of their supporters where to be found

- 3) At first with a bit of a frown
To Lowestoft they went one goal down
But they didn't intend to give in
That would be committing a very big sin

- 4) With just about 10 minutes time left to go
A substitute striker had a lot of skill to show
When he was provided with many a good cross
He scored 2 great goals to cheer up the boss

- 5) Yes Kirkham & Wesham intending never to give up
Had gone on to win a very good cup
And soon in Kirkham town there was to be a special Monday night
With them coach touring round to everyone's delight
