

Sir David Suchet CBE Is 80

- 1) Sir David Suchet was born, in Paddington, London, on the 2nd May 1946
Before as a great actor he had lots of different positions to fix
Today for him it is a special birthday stage
With him becoming 80 years of age
- 2) Suchet portrayed Edward Teller in the TV serial Oppenheimer in 1980 yes
Then for a while as Hercule Poirot, in Agatha Christie's Poirot he appeared or so I guess
From 1989 to 2013 he was to be seen, on TV, solving plenty a murder case
Having lots and lots of different investigations, with Captain Hastings, to face
- 3) Suchet has been married to Sheila Ferris from 1976 to present
And to one another have been very pleasant
Bringing up 2 children nicely too
Who were to get known by quite a few
- 4) Suchet took part in lots of films on TV
To be watched very regular by you and me
And to be often deeply applaud
He's picked up many a film actor achievement award
- 5) Suchet got knighted in the 2020 Birthday Honours for his services to drama and charity
Which he fully deserves quite certainly
He has covered a very long distance
In entertaining the public come of great big assistance
