

Sir Sean Connery's 80th Birthday

- 1) Sean Connery has been a film star for ages
Appearing in many T.V. Magazine pages
He's most popular and of many people deeply fond
For greatly playing the T.V. British Agent James Bond
Sean's really taken us to heaven
With his great acting including 007

- 2) Sean played well at football for a while
Before becoming an actor with a smile
He was also in the Navy and a Lifeboat-man
Before finding many a James Bond fan
Sean's really taken us to heaven
With his great acting including 007

- 3) Sean constantly learnt how to dance
Whilst becoming a famous T.V. star taking many a chance
His favourite 007 film with no other above
Was starring in 'From Russia with Love'
Sean's really taken us to heaven
With his great acting including 007

- 4) After being a real star in many programs to be seen
In July 2000 Sean was Knighted by the Queen
He really should by everyone be applaud
For picking up many a tremendous award
Sean's really taken us to heaven
With his great acting including 007

- 5) Sean who with there being a Scottish National Party agreed
Thinking it was a very big need
Is reaching the age 80 today
At which everyone worldwide says hip hip hurray
Sean's really taken us to heaven
With his great acting including 007
