

Sir Thomas Finney

- 1) Sir Tom Finney's been around for a while
Bringing to many people a smile
Prior to being a famous footballer known by me and you
He served bravely in the Royal Armoured Corps in 1942
Sir Tom played very well on the whole
Very often scoring a great goal

- 2) Along with playing for Preston North End
He was a great 'Preston Plumber' friend
Having 76 caps for England too
Helping that team win a lot for me and you
Sir Tom played very well on the whole
Very often scoring a great goal

- 3) Doing very well in his football gear
Sir Tom twice got 'Footballer of the Year'
He appeared 433 times for Preston North End
Making opposing teams need to constantly defend
Sir Tom played very well on the whole
Very often scoring a great goal

- 4) Sir Tom got 'Knighthed' in the year 1998
An honour he deserved without any debate
And to in Preston please quite a few
He had a great statue made of him too
Sir Tom played very well on the whole
Very often scoring a great goal

- 5) One museum many people attend without delay
Is the nice one along 'Sir Tom Finney Way'
Where there is also the Preston North End ground
And Sir Tom still often to be found
Sir Tom played very well on the whole
Very often scoring a great goal
