

## The Life Of Dolly Parton

- 1) Dolly Parton was born, in Pittman Centre, Tennessee, US on the 19th January 1946  
Before at a young age she was to get up to lots of great singing tricks  
Then becoming a musician, songwriter, actress and philanthropist as her career  
To quite regularly be responded to with a very big audience cheer
- 2) Parton at age 16 started a nearly 60-year music occupation  
Releasing 49 studio albums, and more than 3000 songs, as her dedication  
Including a two-time US country chart-topper 'I Will Always Love You'  
To along with 'Jolene' and 'Coat of Many Colors' be liked by a few
- 3) Parton had Carl Dean as a long-term husband yes  
Who completely brightened up her life or so I guess  
As-well as be a musician she acted on TV  
Appearing in lots of different films for the public to see
- 4) Parton with all her performances to be deeply applaud  
Also picked up plenty a high value award  
Lots of the population had a very big rejoice  
When stood there listening to her live tremendous voice
- 5) Parton, named 'Queen of Country', did extremely well  
Which her life ambition fully had to tell  
But then, sadly, aged 80, on the 25th August 2026 she did die  
Though will be remembered forever no lie
