

## The Life Of John Virgo

- 1) John Virgo was born, in Salford, Lancashire on the 4th March 1946  
Before he grew up with lots of different snooker tricks  
Recently he neared a special stage  
Of becoming 80 years of age
- 2) Virgo turned snooker professional in 1976  
Then had many a career dream to fix  
Winning four professional titles yes  
Including the 1979 UK Championship or so I guess
- 3) Virgo got married and divorced twice  
Though having both a son and daughter was nice  
And to be given a very big cheer  
He had an exceptional sporting career
- 4) Virgo was a co-presenter of 'Big Break' from 1991 to 2002  
With Jim Davidson entertaining quite a few  
He also appeared as a snooker commentator for a while  
Bringing to lots of spectators a big smile
- 5) Virgo spoke with a Good Sense of Humour  
And that's not just a rumour  
But now lots are very sad today  
Because he has just passed away
