

Tommy Cooper

1. Tommy Cooper was born on the 19th March 1921
Getting to know Wales before much time had gone
Then having had a usual childhood of happiness and tears
He served in The British Army for seven years
2. Tommy then developed as a member of 'The Magic Circle' yes
Taking an interest in it or so I guess
Next as a matter of fact
He toured performing many a different magic act
3. Then he moved to television with 'London Weekend' and 'Thames' TV
For a rather big audience to regularly see
Where he became a popular British comedian and magician
Habitually wearing a red fez when on his TV mission
4. Tommy in 1947 took Gwen as his wife
Before having children Thomas and Vicky in his life
Who with others were laughing at him for ages
Watching him appear on all the different stages
5. Though in the end of the 1970s Tommy without thinking
Went into heavy smoking and drinking
Which affected his career and health real badly
Until on the 15th April 1984 he died of a heart attack whilst on TV quite sadly
